Proposal 1

Election of Directors

The Board has nominated five of the current directors for re-election as directors to serve until the next Annual Meeting of Shareholders or until their successors are elected and become qualified. Xiaobing Liu has determined not to stand for re-election, in order to focus on other business and personal matters and not due to any disagreement with the Company. It is intended that the proxy appointed by the accompanying proxy card will vote for the election, as directors, of the five persons named below, unless the proxy card contains contrary instructions.

The Company has no reason to believe that any of the nominees will not be a candidate or will be unable to serve as director. However, in the event that any of the nominees should become unable or unwilling to serve as a director, the persons named in the proxy have advised that they will vote for the election of such person or persons as shall be designated by the directors, unless the proxy card contains contrary instructions.

The following table and subsequent narrative set forth the names, ages and director start dates of the five nominees for re-election as directors, their respective principal occupations and brief employment history of the past five years, including the names of other publicly-held companies of which each serves or has served as a director during the past five years.

We do not have a written policy with regard to directors' attendance at annual meetings of shareholders; however, all directors are encouraged to attend the annual meeting.

Expiration of Term of Directors

Pursuant to our memorandum and articles of association, the business of our company is managed by our board of directors.
